Dear Professor Solieri,

We are pleased to inform you that your paper, "Richard Scrushy: The Rise and Fall of the 'King of Healthcare'" has been accepted for publication in the book tentatively titled *Frauds, Scams, and Swindles: A Handbook of Classic and Contemporary Failures of Ethical Leadership*, by S. Matulich and D. Currie, Editors.

Your submission underwent a rigorous blind review process by several peer reviewers as well as editing and revision to ensure consistency with the book's objectives. We believe this process qualifies the accepted paper as a peer-reviewed publication for tenure and promotion decisions at most universities.

Once the editors have completed negotiations with publishers, we will send you details about the forthcoming publication.

We thank you for your research effort and capability and for your excellent contribution to the finished product.

Cordially,

Serge Matulich, Ph.D., CPA
